HOTEL & SPA IBIZA

THE HOTEL

When celebrating an event in Ca Na Xica, all the areas are for the exclusive use of your guests on the event's day.

We offer different places for your event to be unique.

Fairy Tale Ceremony in the forest

Ca Na Xica's forest hides a wonderful surprise, a perfect place for a unique ceremony, surrounded by nature.

Ceremony by the pool

The outside area's main character is the pool, which is surrounded by a stylish garden and very opened countryside views.

Let's start the party on our private beach!!

Our beach, made with powdered marble, placed between the pool and the spa, is a fantastic place for those who want to give a funny and different touch to their event and celebration.

And continue the aperitif by the pool..

The pool area is the perfect place for having the reception after the ceremony. Use both sides of the pool area and the pool bar to create your tailor made cocktail, our 2.000 s.q.m. will be enough space for your guests.

Wedding reception can be hold in our terrace

Ca Na Xica restaurant, Salvia has an outside terrace with views to the main which may be the perfect place for small wedding's lunch or dinner (max. 80 guests).

Or in the Olive trees patio

This is the perfect scenario for your open air dinner or lunch. Lovingly landscaped and prepared for a perfect banquet set up.

Dance floor inside the restaurant!!

From midnight, the interior part of the restaurant becomes the dance floor, placing the DJ and bars inside, to enjoy your event late.
